GET ON THE AUCTION LINE

PARAMOUNT isn't handling you a "line" when we say we think we can give you the best "line-up" on how to dispose of your coins profitably. No matter if its your entire collection, your duplicates, or just some single items, you need simply to "hang" them on Paramount's "Auction Line" to bring you pleasing and satisfactory results.

When your material is consigned to us, we immediately go to work readying it for display on our "Auction Line." That is to say, we present each coin, accurately described, in a quality catalog. And if its a rare or outstanding piece, you can be assured it will receive the attention it so rightly deserves. Furthermore, on all coins that warrant it, we photograph them, obverse and reverse, and place them in the most advantageous manner in the catalog. Figuratively speaking, we "hang" each one of your coins on our "Auction Line" for the reading and viewing pleasure of collectors and dealers alike. Its easy to see how your coins, displayed in such a manner, can command the attention of thousands of potential buyers on our active mailing list.

In addition to all this, there is still another advantage to "lining up" with Paramount and that's the commission rate which we charge to do all of this for you. Our commission is low—lower than many—and better still, its all-inclusive. Which means we're not going to tag on any hidden charges later. And when you consider that we even send you an auction contract that protects both the consignor and the consignee—well, you've got a real deal going for you.

Like we say, we think we can give you the best "line-up" in the business. So—if its coins you want to sell, and if you want to "line up" your material descriptively and pictorially and see them presented in an outstanding quality catalog, get on Paramount's "Auction Line." Write us today. We guarantee you'll be pleased.

TERMS OF SALE

THIS IS A PUBLIC AND MAIL BID AUCTION SALE — All material is sold to the highest bidder. Mail bids are entered in the order received, and in the event of duplicate bids, the Lot is awarded to the first bidder. PLEASE FILL IN COMPLETELY ALL INFORMATION REQUESTED ON THE BID SHEET.

* All "floor bids" are final.
* All bids must be submitted for the entire Lot - partial Lots will not be sold.
* Bids will not be accepted from minors.
* Title to all auction Lots remains with Paramount until paid in full.

GUARANTEE — All material offered is guaranteed genuine and as described in the catalog unless otherwise stated. AUCTION SALES ARE NOT APPROVAL SALES! Any claim of error must be made within three days after receipt of material. Lots may not be returned without written permission.

VALUATION — To assist bidders, we have indicated an estimated value on most Lots based on "Trends," reference books (catalogs), and recent auction records. This is an estimate and in no way is meant to be indicative of the price the Lot will actually realize as higher or lower prices may prevail.

PAYMENT — The terms of this Sale are strictly CASH, and payment is to be made immediately on receipt of either material and/or invoice. Remember, Auction Sales Are Not Approval Sales! NOTE: In the event of Lots delivered "on the floor," local Sales Taxes will apply. Lots shipped from our offices in Englewood are subject to 4½% Sales Tax chargeable to Ohio Residents. Postage and insurance will be added to your invoice on Lots shipped.

TO MAIL BIDDERS — No "Buy" or "Unlimited" bids will be accepted. We act as your agent and will purchase for you as much below your bid as the next highest bid will permit. No commission is charged for handling your bids, and we reserve the right to refuse ridiculously low bids. PLEASE RECHECK YOUR BID SHEET as we cannot assume responsibility for errors in either the amount bid or the Lot number entered on your Bid Sheet.

REFERENCES AND DEPOSITS — If bidders have not established credit with our Company in the total amount of their bids, then complete and satisfactory credit references must be supplied—and a deposit of 25% of the total amount of bids will be required in order that such bids may be executed. Deposits submitted will be applied to purchases and any unused portion of such deposits will be refunded immediately after the Sale. PAYMENT WILL BE REQUIRED IN ADVANCE OF DELIVERY OF LOTS WHEN THE TOTAL SUM EXCEEDS THE AMOUNT OF PREVIOUSLY ESTABLISHED CREDIT.

Mail Bids for this Sale must reach our office in Englewood, Ohio ON OR BEFORE Tuesday, October 31, 1972. Late bid sheets may be mailed direct to Paramount International Coin Corp., % Americana Hotel, 7th Avenue at 52nd Street, New York, New York 10019. A postpaid envelope is enclosed for your convenience.

QUANTITATIVE GRADING

You will notice as you leaf through this catalog that we are now using the QUANTITATIVE GRADING method of describing most of the Lots in this Sale. This is to help you, the bidder, to know more precisely the condition of a coin. It works like this: If a consigned coin just meets the minimum requirements to qualify, for example, Very Fine by Brown & Dunn standards, that coin will be listed as VF-20. If the coin is better than minimum, it would then be listed as VF-25. If it is what normally would be listed as Very Fine to Extremely Fine, the coin would be designated as VF-30.

The following numbering system is employed in this scale:

Very Fair.....	3	Very Fine.....	20–30
Good.....	4–6	Ext. Fine.....	40–45
Very Good.....	8–10	About Unc.....	50–55
Fine.....	12–15	Uncirculated.....	60–70

We believe this Grading System will prove beneficial to you. Your reaction and comments on this would be appreciated.

INSTRUCTIONS TO MAIL BIDDERS

If you have never before bid by mail, you may feel somewhat at a loss in submitting a mail bid for an auction sale. Basically, however, the procedure is quite simple. You will notice on the enclosed Bid Sheet a place for entering the Lot Number as well as the amount you wish to bid (It is not necessary to describe the lot on which you are bidding). After carefully reading the description of the Lot in question, simply write down the Lot number and the maximum amount you are willing to pay in the appropriate columns. For example, let's assume you are interested in bidding on Lot No. 193. Determine the maximum price you will pay for this Lot and enter this amount on the Bid Sheet as follows:

NO.	BID
193	95 00

You will note we have used the term "maximum amount" above. The bid which you enter is the "maximum amount" or top price you will pay for a Lot. However, there's always the chance you may obtain the Lot for less! As indicated in our "Terms of Sale," we act as your agent and execute your bids as if you were there in person at the Sale. We will buy the Lot for you as cheaply as possible over the next highest bid. In other words, if your bid, for example, is $95.00 on Lot No. 193, and the next highest bid, whether by mail or floor, is only $75.00, the Lot would be awarded to you at $80.00, or a nominal 5% to 10% increase over the next highest bid.

Before entering your bids, please read very carefully our "TERMS OF SALE." And if you have any questions regarding bidding or regarding the Sale itself, drop us a line and we will reply at once. Bidding by mail permits the individual to participate in the auction sale just as though he were able to attend the Sale in person. Many bargains are obtained through the medium of auction sales, and it can be a very exciting as well as rewarding method of obtaining needed items for your collection. We look forward to your participation in this, as well as future, Sales.
